WELCOME TO GLOBE HONORS

Welcome to this evening's celebration of youthful talent and passion for all things theatre. Tonight you will be introduced to 24 young performers and five young theatre technicians. While only a few will win prizes, we acknowledge all of the students you see on our stage tonight who have done their best to make the judges' job extremely difficult. The level of talent and drive astonishes us every year. We believe that encouraging, honoring and supporting young theatre artists is a part of our mission to preserve, strengthen and advance American theatre, and we are proud to provide this opportunity to San Diego's talented teens.

Winners of this year's competition will take home \$1,000 scholarships and will participate in learning experiences that will stay with them for years to come.

We are grateful to our education donors for recognizing the importance of engaging young people in the world of theatre, and we welcome this year's honorees into our home.

We are also grateful to our partner, Broadway/San Diego, A Nederlander Presentation, for their tireless efforts to bring recognition to our program and to support the Leading Role winners as they make their way to New York for the Jimmy™ Awards.

Special thanks, too, to Center Theatre Group for supporting Globe Honors winners by making the L.A. Experience so meaningful.

With fantastic and highly qualified judges, a top-notch director and an ebullient and caring emcee, Globe Honors is truly a celebration of the community of theatre artists and artisans and those who care about the future of this art form.

Enjoy the show.

Roberta Wells-Famula, Director of Education
